

Declaration for Utility or Design Patent Application

As a below-named inventor, I hereby declare that my residence, post-office address and citizenship are as stated below next to my name and that I believe that I am the original, first, and sole inventor of the subject matter which is claimed and for which a patent is sought on the invention, the specification of which is attached hereto and is entitled:

Visible-light sensitive macro-initiator

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment specifically referred to in the oath or declaration. I acknowledge a duty to disclose information that is material to the examination of this application.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishment by fine or imprisonment or both, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon,

Please send correspondence and make telephone calls to the first inventor below.

Small Entity Declaration

Sir:

This letter serves to state that the entity that is filing the enclosed Patent Application has only four employees and as such qualifies for the Small Entity filing fee.

Very Respectfully,

A handwritten signature in black ink, appearing to read 'J. Condon', with a stylized, cursive script.

John Condon
